BREDBURY MEDICAL CENTRE

PATIENT PARTICIPATION GROUP (PPG) MINUTES

MEETING ON WED 30 AUGUST 2023 AT 3.30PM

	Attendees		Shaun L (Practice Manager) Sasha W (Patient Experience Care Co-Ordinator) HL JL LP
1	Welcome		The PM opened his first PPG meeting and explained the importance of having a PPG. The plans to hold these meeting on every 6 months on Wednesday PM, when the Medical Centre is closed for staff training.
2	Introduction to the new Practice Manager		The PM introduced himself, his background and his aims and vision for the future for the Medical Centre.
3	PPG Chairperson nominations		The PM explained that the Medical Centre will be looking for a PPG Chairperson, who will be proactive with the PM to set future PPG agendas and organising the PPG members to attend and collate any constructive feedback that is relevant to the development of the PPG and its patients.
4	Flu/ Covid vaccination programme update		PM explained on where the Medical Centre is currently at with this programme. PPG members are already fully aware that they can book into the Flu clinics and have done so already. The Practice currently has no plans to offer the Covid vaccinations, but patients will be informed if this changes.
5	'This Van Can' – Prostate Cancer Screening		This is a local initiative that is coming to the Stockport area and more details can be found on the Practice Social Media platforms such as the Website, Facebook etc
6	What is the Primary Care Network (PCN)		The PM explained the Medical Centre is one of eight GP Practices that support each other in providing additional services that do not require any GP appointments. To find out more about the PCN, there is a meeting held at Bredbury Hall on 12/09/23 between 3 – 5pm that PPG members are invited.
7	A.O.B		The PPG members would like to pass on their gratitude to all staff for their wonderful work. They have seen an improvement and having both male and female GPs that you can see is a bonus as the practice did not have a female GP for a while.
